

## OVERVIEW

Avexon, LLC is a leading-edge provider of unique and customized information technology solutions and services to federal, state, and local government as well as commercial entities. We are a certified woman-owned small business (WOSB) through the Women's Business Enterprise National Council (WBENC) dedicated to delivering best in class technology products along with a comprehensive range of services and solutions to address our customers' most complex technology requirements. We do this with a strong focus on ethical performance and integrity. Our staff of highly skilled consultants tailor world-class technology to your needs, budget, and goals. Avexon holds certified partnerships such as Hewlett Packard Enterprise (HPE) Silver, Hewlett Packard Incorporated (HPI), Aruba, VMWare, Veeam, Spectralogic, and Microsoft Silver Data Center.

We believe in bringing together expertise, diversity, and innovation in supporting our customers and their missions.

Avexon's corporate office is located in New Orleans, LA.
